

## **FACULTY QUALIFICATIONS FOR ENTREPRENEURSHIP**

**Revised April 2013**

The USF Center for Entrepreneurship is a nationally-ranked, multidisciplinary, campus-wide center focusing on entrepreneurial education, training, and research. By using innovative, interdisciplinary approaches, the center prepares students in the fields of business, engineering, health sciences, and sustainability to design, develop, and grow new ventures. The center also enhances undergraduate studies by offering minors to business, engineering, and non-business students, and supports

Faculty who (1) hold a master's degree with a major in entrepreneurship or related discipline, as described above, or (2) 18 graduate semester hours in the discipline with a master's degree in any field may teach at the undergraduate level. Significant experience in a related field may substitute for all or part of the 18 hours. In exceptional cases, significant entrepreneurial experience in the profit or not-for-profit sector may substitute for the academic preparation in (1) or (2) above.
